

KWIK DRAW
UNIPHOS

HAND PUMP EXCHANGE PROGRAM

Receive your FREE Hand Pump Kit...

The KwikDraw Advantage with our Hand Pump Kit Exchange Program.

For a limited time only - receive a brand new KwikDraw Bellows hand pump kit when you trade in your existing bellows pump through your local distributor with a purchase of 10 boxes of the Kwik Draw Tubes at the list price.

Details:

- The pump sent in must be a bellows pump designed for use with gas detector tubes but maybe in any condition
- Uniphos Envirotronic Inc. will send a full pump kit with carry case and instruction manual

Toll Free 1-844-247-0450
