

UNIPHOS

HAND PUMP EXCHANGE PROGRAM

Receive your **FREE** Hand Pump Kit...

The UNIPHOS Advantage with our Hand Pump Exchange Program.

For a limited time only – receive a brand new Uniphos ASP-40 hand pump when you trade in your existing pump through your local distributor. The ASP-40 hand pump comes with a limited lifetime warranty and is available while supplies last. No purchase necessary.

Details:

- The pump sent in must be designed for use with gas detector tubes but may be in any condition
- Uniphos Envirotronic Inc., will send a NEW ASP-40 pump kit with carry case and manual
